Father has asked that when requesting a Mass Intention you also add your name so that he can check that all Masses are offered as requested and also asks you to give as much notice as possible for a specific date which may not be possible because at the moment Father has a large backlog of Intentions. He also asks if any new intention request can be passed to either himself or Frances

Following the advice of the Catholic Bishops' conference of England and Wales they have agreed the following changes for COVID 19 restrictions:

The Mandatory wearing of Facemasks or face coverings has been relaxed to a personal choice however, we still have a duty of care to all our parishioners when in church

If you are awaiting results of a COVID test please wait until you have had confirmation of a Negative Test result before attending Mass. You must use the hand sanitizer on entering church
We are still recording numbers of those attending Sunday Mass for the Diocese so give the numbers in your party to the Stewards. Please leave a space if sharing a row with other families
You are asked to sit or stand at the appropriate parts during Mass **do not use the kneelers.**
Singing is allowed.

The Sign of Peace has been reintroduced and you are now allowed to shake hands if you wish to.
Holy Water is now available.

If you can make your donations by standing order please request a form from the finance team.

If you would like to receive a copy of the Parish Bulletin by email please let us have your email address.

Sacraments of Reconciliation and First Holy Communion next session to be advised

If anyone can help taking the collections please with the children and also the offertory procession thank you.

For parishioner's requiring work in their own homes it is always prudent from a purchasing point of view to obtain a minimum of three quotes if possible. With this in mind we would like to prepare a list of traders from our parishes that would be able to offer their services accordingly. Plumbers, heating engineers, electricians, builders, gardeners, or anyone that could offer lists to those wanting to visit their sick relatives that are not able to drive themselves. Of course appropriate insurances should be in place for this to happen. Please let us know if you are willing to be added to such a list which would be reviewed on an annual basis.

The Bishop has requested that we take the second collections for CAOD's Sudan Appeal or by online by visiting cafod.org.uk/sudanappeal

St Joseph's Social club update as planning permission has been refused once again we are seeking parishioners opinion and we would like you to consider a new application being put forward as professional advice is that planning permission might be granted with a review of the application to address the planner's concerns following the appeal This will include new designs, drawings reports etc. Unfortunately this all comes with a cost but to sell the site with planning permission would add value to the site. If you could let Father Frank or Frances Harris with any concerns you may have after Mass today 5th May.
